

JF TEAM POSTCARD

James Njenga is a resident of Marura Ole Pajeta he is married to Jane Wanjiru with 2 children. Their marriage was in conflict due to unfaithfulness and this caused them to separate. When two people love each other and Satan comes in between to separate them it is not easy. James came to the Jesus film showing and told us the whole story. We listened very careful and the following day the Jesus film team decided to visit with him. Fortunately his wife and children were around even tho they had separated but still living within reach to each other. We counseled both of them. They confessed their sins, repented and asked God for forgiveness. They also forgave each other. We were happy to see them hug each other. Join us in prayer as we pray for James and Jane and their 2 girls. We also continue to pray for those who received Christ on that day.
