

JF TEAM POSTCARD

Kamene Philip was possessed by demons. She attended the Jesus film and when the alter call was called she came forward. She narrated her story which needed deliverance from evil spirits. We prayed with her and led her into a prayer of confession. She confessed her sins repented and asked God for forgiveness. She accepted Christ as her personal savior. Her 5 children also accepted Christ in their hearts. We thank God for saving the lives of this family. Join us in prayer as we pray for this family of Kamene and her children and those who accepted Christ in their hearts. God is still doing his work regardless of the situation. Regardless of the COVID -19 God is still working.
