

JF TEAM POSTCARD

The respective distances separating Kpaya and Loulé from N'Zérékoré are 14 km and 07 km. After the agreement of the local authorities, we projected the film Jesus in these villages. Of the wonders the Lord is doing in the lives of some who attended the screening, testimonies flowed for the glory of Jesus Christ. A woman testifies "A long time ago. I lived in idolatry and I did not have peace of heart in my home my business nothing worked. After consultation with the marabouts, several sacrifices my summer proposed that I made, but nothing of all its then solved my problem, after I attended the screening of the film JESUS and the preaching I learned that we have no more sacrifice to make because Christ has paid everything for us. I thank the Lord for giving me peace of heart and my affairs are changing for the better through your prayers. I decide to give my life to Jesus Christ and serve him all my life. I ask you to pray for these villages. Pray also for all the people who have given their lives to the Lord so that they persevere in the way of our God in the end
